

## 94.3 THE POINT HOSTS BENEFIT CONCERT

*National acts to appear at Brookdale event*

94.3 The Point will host a concert benefitting the Christina S. Walsh Breast Cancer Foundation. The event, scheduled for November 13 at the Robert Collins Arena at Brookdale Community College in Lincroft, will feature Los Lonely Boys, Alex Band and The Calling.

Tickets for the event, which

cost \$35, can be purchased at Jack's Music (Red Bank), the Brookdale Student Activities Department and by phone at 866-468-7619.

The mission of the newly formed foundation is to provide financial aid and comfort to breast cancer patients and their families. Christina Walsh, loving wife and mother, recently lost her battle with breast cancer. Friends of the family wanted to pay tribute to her courage to create this foundation in her memory.

The Point hosted a concert, also at Brookdale, on October 31 with Finger Eleven, Lyman and Roots of Rebellion.

The event will be a great way to enjoy some live music while supporting an excellent cause. For more info, call 732-224-2639.
